ABOUT ME

With over 8 years of experience in the Information Technology and Services industry, I have developed a strong portfolio of graphic design projects for diverse clients and audiences. I have also acquired multiple certifications in graphic design, logo design, and after effects, demonstrating my commitment to continuous learning and improvement. I have a Diploma of Education in Electronics and Communications Engineering from Sigma Group of Institutes, which gives me a solid foundation in technical and creative skills. I am passionate about graphic design and digital marketing, and I always strive to deliver innovative and impactful solutions that meet the needs and expectations of my clients and stakeholders.
